PRE-PROSECUTION DIVERSION PROGRAM
APPLICATION PACKET**

Applicant: _____

Defense Attorney: _____

Charge(s): _____

D- _____ -CR- _____ - _____ DIV. _____

M- _____ - _____ - _____ DIV: _____

Date Submitted to Prosecution: _____ / _____ / _____

Prosecutor Whom Approved of PPD: _____

To avoid complications or delays, it is very important that the following referral procedure be followed and that all the necessary documents and signatures are completed at the time the packet is submitted.

If the Defense Attorney believes a Defendant would make a good candidate for Pre-Prosecution Diversion, the Defense Attorney should contact the District Attorney to see if he/she concurs. The **District Attorney must agree** to the Defendant's diversion into the program. The case must meet minimum eligibility criteria as determined by statute and any other criteria deemed by the District Attorney. This means the Defendant must have no prior felony convictions for a violent crime and no prior felony conviction for any crime during the previous ten years. The Defendant must not have previously participated in a similar program during the previous ten years. If the Defendant was previously on probation, the probation must not have been revoked or unsatisfactorily discharged. The crime alleged to have been committed by the Defendant **must be non-violent in nature**, with the exception of domestic disputes not involving a minor. If the offense charged is drug-related, it must not involve the sale or possession of substantial amounts of a controlled substance.

The Defense Attorney should then meet with the Defendant and assist them in completing the application. The Defense Attorney should talk to the Defendant about the PPD Program. The Defense Attorney will have the Defendant waive his Constitutional right to a preliminary hearing (Waiver of Preliminary Hearing) contained in this packet, pursuant to Rule 31-16A-6 (A) and will ensure that the **Defendant's Statement contains admissions to all elements of all crimes charged against the Defendant**. Defense Attorney's signature on these documents verifies that the Defense Attorney has reviewed these documents with the Defendant. All original documents, signed and notarized, may then be submitted to the PPD Program Director. Failure to provide all documents completely filled out will delay the process and may result in rejection of the Defendant from participation in the PPD Program.

Victims and law enforcement agencies will be contacted for input about whether Defendant will be allowed to enter the PPD Program.

Following receipt of the completed packet, PPD Program Director will submit the Defendant's statement to the District Attorney for approval. If the statement is approved and the victims and Law enforcement have no objections, a decision will be made by the District Attorney's office on whether this case is acceptable for the Program. If so, the PPD Program Director will call or send a letter to the Defendant to schedule an appointment for a **personal interview, which must take place within two weeks from receipt of the approved statement**. Following the interview, if the Director feels the Defendant is appropriate for the program he will have the defendant sign an agreement contract and place the defendant into PPD status. If for some reason the defendant was not immediately accepted after the interview, a call or letter will be sent to the Defendant informing him/her as to the status of their acceptance within five (5) working days. If not accepted, the defense attorney will be notified as to the reason for the denial.

The Director will then file a Waiver of Speedy Trial within Six Months and the Notice of PPD, suspending criminal proceedings. A copy will be sent to the Defendant and the Defense Attorney as soon as it is signed and filed.

If the Defendant successfully completes the Program, the Program Director will file a Motion and Order to Dismiss indicating Defendant's successful completion of the Diversion Program. If the Defendant is unsuccessfully terminated from the Program, a Notice of Termination from the Pre-Prosecution Diversion Program will be filed and an arraignment will be requested.

PRE-PROSECUTION DIVERSION PROGRAM APPLICATION AGREEMENT

On the authority of the District Attorney for the Twelfth Judicial District, Lincoln and Otero Counties, State of New Mexico, the Defendant has been certified eligible for participation in the Pre-Prosecution Diversion (PPD) Program. This Pre-Prosecution Diversion Program Agreement, entered into between the State of New Mexico, Office of the District Attorney, Twelfth Judicial District, and the Defendant, represents the understanding that the Defendant will comply.

This agreement extends only to and includes the charges in the above captioned matter which are presently pending against the Defendant, and to no other charges or causes not specifically mentioned herein. This agreement shall not operate as a contract for immunity from prosecution for the charge(s) referred to herein. Further, should the Defendant fail to meet the terms and conditions of this agreement, the agreement shall be void at the option of the District Attorney, without notice or hearing, and prosecution may be instituted.

1. Defendant represents that participation in the Pre-Prosecution Diversion (PPD) Program is voluntary. Defendant is willing to participate in the Program and to submit to all Program requirements.
2. If Defendant's application to the PPD Program is rejected or withdrawn, such rejection or withdrawal may result in the initiation of prosecution for the underlying offense. After rejection or withdrawal, Defendant may not again apply to the Program.
3. If Defendant is terminated from the PPD Program for cause, the Court may issue a warrant for arrest or summons to compel Defendant's appearance before the Court.
4. It is agreed that Defendant meets the eligibility criteria for acceptance into the PPD Program and Defendant's Attorney, having investigated the case and having advised the Defendant of applicable law, believes it to be in Defendant's best interest to enter into this agreement.
5. Defendant represents that he/she has no prior felony conviction or significance criminal record, and has never been unsatisfactorily discharged from probation or any diversion program.

6. Defendant agrees to give a written statement detailing Defendant's participation in and guilt of the crime(s) for which Defendant is charged. Defendant acknowledges that if terminated for failure to complete the PPD Program, this statement may be used against the Defendant in Court. Defendant also understands that if not accepted into the Program, this statement of guilt shall be used against Defendant only for purposes of impeachment. Defendant agrees to provide the Program Director the appropriate waivers required by statute.
7. Defendant shall participate in the PPD Program for a period of not less than six (6) months and no more than twenty-four (24) months, the period of time to be determined by the PPD Program Director. This time period shall be subject to extension at the discretion of the PPD Program Director and District Attorney, provided that the extension coupled with the original period does not exceed twenty-four (24) months.
8. Defendant must have or attempt to obtain a valid driver's license or photo-identification card. Defendant will show this photo ID to the Program Director upon acceptance.
9. Defendant agrees to be completely law abiding during the term of this agreement. If arrested for any reason on any charge, the arrest shall immediately be reported to the PPD Program Director. Defendant will be terminated from PPD.
10. Defendant agrees to keep the PPD Program Director advised of Defendant's current whereabouts throughout the entire PPD Program and will report immediately any change of employment, residence, telephone, marital status, income or financial status, etc. Defendant agrees not to leave Lincoln County without prior approval from the PPD Program Director.
11. Defendant must complete a GED program if Defendant does not have a high school diploma or GED; provided that such enrollment does not interfere with Defendant's employment.
12. Defendant agrees to truthfully answer all inquiries and carry out all instructions of the Program Director.
13. Defendant grants permission for the Program Director, or authorized agent of the Program Director, to visit Defendant's home, place of employment, school or other location for the purpose of carrying out adequate supervision.
14. Defendant agrees to make every effort to gain and retain employment or be attaining full time education. If unemployed or not in full time education, Defendant will cooperate with any effort made to obtain employment for the Defendant. If Defendant loses his or her job for any reason, Defendant shall immediately report this fact to the Program Director.
15. During the term of Defendant's participation in the PPD Program, Defendant shall not consume alcoholic beverages and shall not use any controlled substance unless prescribed by a physician. Defendant shall not own, possess, use, buy, sell, distribute, or have under his/her control: (1) illegal drugs (including marijuana), in any form, or (2) possess firearms or other deadly weapons without the PPD Directors approval.

16. Defendant agrees to submit to any psychological, drug/alcohol, Vocational Rehabilitation or any other tests, examinations or evaluations and treatment procedures if so instructed by the Program Director. Defendant agrees that the cost of such examinations, evaluations, and any resulting treatment procedures or counseling shall be Defendant's responsibility. Defendant shall provide written verification of any and all such tests, examinations, evaluations, treatment procedures, and/or counseling. Written verification shall be submitted along with Defendant's Monthly Reports the first week of each month. Defendant shall voluntarily submit to urinalysis testing, at his/her own expense, at the discretion of the Program Director or authorized representative of the Program Director.
17. Defendant shall report to the PPD Program Director at the Office of the District Attorney in person once each month, or as otherwise instructed, during the probationary term. Defendant agrees that any failure to appear for appointments with the Program Director will be sufficient grounds for termination from the PPD Program.
18. Defendant shall pay costs related to participation in the PPD Program in an amount of \$15 minimum to \$85 maximum per month, due on or before the 15th day of each month, unless specified by PPD Program Director, during the time the Defendant is participant in the PPD Program. **Monthly costs will not be waived**, but are subject to modification on the basis of Defendant's changed financial circumstances. Said costs are only to be accepted in the form of **money orders or cashier's checks (personal checks and cash will not be accepted)**, made payable to the DA's Office.
19. Defendant shall, if applicable, pay restitution to the victim(s) for any damages or losses resulting from any criminal act in which Defendant participated as a principal, accessory or co-conspirator. Defendant must pay approximately one-half of the amount of restitution before being accepted into the PPD Program. The balance of the restitution is to be paid in monthly installments. The Program Director and the District Attorney must approve any exception or waiver of this term.
20. Defendant will be required to reimburse the county for any costs of extradition incurred.
21. Defendant shall perform 50 – 200 hours of community service work and shall provide written documentation of the work performed. Participants **must complete the community service within the first six (6) months of their program**. Hours will be *increased* for those who do not comply with the deadline. The number of community service hours is assigned by the Program Director.
22. Defendant shall at all times conduct himself/herself in an honorable manner as a law abiding member of the community and shall not endanger, in any way, the person, property, rights, dignity, or morals of others or himself/herself.
23. Defendant shall comply with all Municipal, County, State, and Federal laws, ordinances, or orders. Defendant agrees that being charged with any subsequent offense will constitute sufficient grounds for termination from the PDP Program.
24. Defendant shall promptly reply to any communication from the Program Director or the District Attorney's Office.
25. Defendant shall submit written reports every month during the Defendant's period of supervision. Defendant shall be responsible for the truthfulness of these reports and understands that any false report submitted by the Defendant, written or oral, to any official of the Office of the District Attorney will be grounds for an unsatisfactory termination of the Defendant's Diversion status and a revival of criminal charges.

26. Defendant shall voluntarily submit to warrantless searches of his/her person, property, residence, and/or automobile at the discretion of the Program Director or authorized agent of the Program Director.
27. Defendant shall not communicate either directly or through any other person, with inmates of any prison, jail, reformatory, or other correctional institution, or visit such person unless Defendant has permission of the PPD Program Director.
28. Defendant will not associate with any person having a criminal record or who is otherwise of bad repute. Defendant will not associate with any person with whom the Program Director forbids association.
29. Defendant will support all dependants and assume toward them all moral and legal obligations.
30. Defendant agrees that the Program Director and the District Attorney's Office may, during the period of supervision, terminate, extend, or modify the terms and conditions of probation. Defendant agrees to abide by any additional agreement. A modification or waiver of any of the provisions herein shall be effective only if made in writing and executed with the same formality of this agreement. The failure to insist upon performance of any of the provisions of this agreement shall not be a waiver of any subsequent default of the same nature.
31. Defendant agrees that termination of this probationary status may occur if it is determined a prior criminal record exists which was not disclosed by the Defendant as required on the PPD Application.
32. Defendant swears that he/she has never been on probation where it was revoked or received an unsatisfactory discharge. Further, Defendant swears that he/she has not been admitted to a program similar to Pre-Prosecution Diversion within the past 10 years.
33. If it is discovered that Defendant provided false information or omitted information on any documents relating to Defendant's application to the PPD Program, this will constitute sufficient grounds for rejection from the PPD Program. If it is discovered that Defendant provided false information or omitted information on any subsequent document after being accepted into the PPD Program, this will constitute sufficient grounds for termination from the PPD Program.
34. Defendant agrees that any violation or unsatisfactory performance of any of the terms, conditions, or requirements of this agreement will constitute sufficient grounds for termination from the PPD Program. Defendant agrees that this agreement may be terminated if the Defendant is not benefiting from the PPD Program. This determination will be decided by the Program Director and District Attorney.
35. This agreement between the Defendant and the District Attorney's Office for the Twelfth Judicial District represents the complete understanding between the parties. There are no representations, warranties, covenants, or undertakings other than those expressly set forth herein. This agreement shall be governed, construed and enforced in accordance with the laws of the State of New Mexico. If at any time, it is determined that a portion of this agreement is invalid, the remainder shall not be affected thereby and shall continue in full force and effect.
